Working Together for a Strong Community

STRONG PEOPLE MAKE STRONG COMMUNITIES

OUR MISSION

The Athens YWCO believes that people of all ages live longer, healthier, better lives when they have access to quality fitness, recreational and social programs in their community.

That's why we offer accessible, affordable and quality fitness and health programming for all ages, from children to seniors.

116 YEARS OF SERVICE

IT ALL STARTED IN 1906

The Athens YWCO opened its doors in 1906 with a focus on providing social interaction, meals, shelter and support to young working women.

Today, the YWCO has expanded its programming to promote healthy lifestyles through recreation, physical fitness activities, and social interaction among children, families and senior adults in the Athens area.

COVID-19 IMPACT

Like so many organizations, the Athens YWCO has faced challenges in the wake of COVID-19.

We had difficult decisions to make, and for more than three months we closed our doors to protect our vulnerable community.

For the first time in 45 years, we were not able to hold our 2020 Summer Girls Club, which has provided enrichment activities for nearly 300 girls and young women from under-served areas.

After a successful staged reopening, the YWCO is taking extra steps to ensure the safety of our members and staff. This resulted in the purchase of additional supplies and equipment, making the support of our sponsors more needed than ever.
